

MISSION STATEMENT

To develop support systems that protect children, empower families and strengthen our community.

PRINCIPLES

Intertribal Child & Family Services provides support to families by:

- ✓ Protecting Children
- ✓ Empowering Families
- ✓ Development of Preventative Programs
- ✓ Providing Culturally Appropriate programming to children and families
- ✓ Addressing Community Needs

GOAL

To maintain and strengthen the family unit and recognize the importance of the child's heritage, identity and sense of belonging in the community.

OBJECTIVE

To develop more control over our mandate including developing our own standards and guide lines for the care of our children.
